The Department of Entomology at the University of Manitoba is inviting interested students to apply for a University of Manitoba Graduate Fellowship (UMGF) to be held to support their graduate program with a Faculty member in the Department of Entomology. Students applying should consult with potential Faculty (<https://www.umanitoba.ca/faculties/afs/dept/entomology/personnel/index.html>) to ensure they would be willing to act as their supervisor and coordinate the rest of the funding necessary to carry out the proposed research. The UMGF will provide partial funding for a graduate student for up to 2 years at the M.Sc. level or 4 years at the Ph.D. level to fund a student with the remainder of the stipend made up from a combination of other sources.

Applicants should submit their application to [Rob.Currie@UManitoba.ca](mailto:Rob.Currie@UManitoba.ca).

Application forms (click [here](#)), should be completed submitted by 25 June 2021, but will be accepted until a suitable candidate is selected. Applicants should have a minimum GPA of at least 3.0 in each of the last two years of their studies.
