Entomological Society
of Canada

DECEMBER, 1971

Supplement to: Bulletin of the Entomological Society of Canada Vol. 4, No. 1

MEMBERSHIP LIST

ENTOMOLOGICAL SOCIETY OF CANADA

This list supercedes the one distributed in 1969 with the first issue of the *Bulletin*. Student members are not listed because most of them change their addresses every year and in a few months the list would be hopelessly out-of-date. Most addresses of other members are exactly as given. Although adequate, many are not strictly correct or complete because of institutional name changes, introduction of postal codes, etc. It would improve the usefulness of the next list if members would notify the Treasurer of corrections.
